

My First School

FEBRUARY 2024

This Month at My First School

Our school wide monthly theme is HUGS & KISSES!

During the month of February, Mrs. Paczak's class will be learning about community helpers, Valentine's Day and dental health. They will focus on the heart shape, the colors pink & purple, the numbers 8 & 9, as well as finding objects that match.

The 3s/4s classes will be busy this month! They will be working on identifying characters in a story, recognizing and producing rhyming words, and stating their first and last names. During science and social studies, they will be talking about emotions, Valentine's Day and dental health. They will be working on recognizing the letters Rr, Ss, Tt and the numbers 8 & 9.

Our Pre- K students have been working hard and are eager to share all they have learned. In February, Pre-K will be focusing on the letters Kk, Vv, Mm & Gg as well as identifying the numbers 0-10. During math, they will be identifying and naming 2D & 3D shapes, making patterns, and determining if a group is more than, less than or equal. During science, classes will explore the five senses and they will learn all about dental health.

CLASSROOM VALENTINE PARTIES

Classroom Valentine Parties are on Tuesday February 13th & Wednesday February 14th at 11:00. Due to fire code, each child may invite two adults to attend on party days. Look for more information to come home from your child's teacher soon.
