MARCH 2024

Happening this month at My First School ...

Our school wide theme this month is “Jesus Loves Me”!

The 2’s&3’s class will be learning about rainbows, the five senses, and the Easter Story. They will be introduced to the oval shape, the colors yellow and green, and the number 10. They will be using their fine motor muscles to practice cutting with scissors.

Our 3’s&4’s classes will talk about the Easter Story, seasons, and St. Patrick’s Day. They will learn to print first names, recognize their last names in print, and sequence pictures to tell a story. They will be working with the number 10, sorting and counting sets of objects, and using positional words (above, below, beside, etc.). They will focus on letters Uu, Vv, and Ww.

The Pre-K classes will be learning about St. Patrick’s Day, rocks, and community helpers. They will practice patterning, line tracing, and connecting the dots. They will be working on adding and subtracting groups of items and use digital tools to express ideas. They will be focusing on the letters Dd, Nn, Rr, and Yy.

Easter Egg Hunt

My First School and Cornerstone Church of Aurora are partnering to host an Easter egg hunt! The event will take place on Saturday March 23 at 10:00am inside in the Worship and Activity Center. Kids age 2 years old—3rd grade are invited to participate. We hope you will join us!

We need candy donations to make this event possible. Please consider donating one or two bags of individually wrapped NUT-FREE candy, or toys small enough to fit inside plastic eggs.

Mrs. Kaiser is looking for volunteers to help fill eggs. Please email her if you are interested. jkaiser@cornerstoneaurora.com

Coming in June!

Mark your calendars for Scuba VBS at Cornerstone Church and My First School. Children will dive into a friendship with God and explore what it means to have a friendship with a real, loving, and trustworthy God— a friendship that last forever!

VBS is scheduled for June 24—June 28. More information and registration forms will be coming home in April.

Acceptance Folders

If you have registered for next school year, be on the look out for acceptance folders next month. The folders will contain important paperwork and information for the upcoming school year, as well as VBS and Summer Camp registration.

Registration

We are currently taking registration for the 2024-2025 school year. Register as soon as possible to secure your preferred spot. Please contact the main office if you need a registration form.

Summer Camp

Summer is just around the corner! Summer camp information and registration forms will be sent home in April. We are excited to be offering classes for 2s/3s (who do not need to be potty trained) AND 3-5 year old's (who must be potty trained and have completed the MFS 3s/4s or PreK class). Only children who are enrolled at My First School may attend.

Classes will be on Tuesdays and Thursdays in June and July. The theme this year is Growing Up Wild! Children will build on their sense of wonder about nature and explore the world around them. Class space is limited and will be filled on a first come—first serve basis. More details to come.
